Subject: DET/2017/0005 - Intakes Handley Banks

In principal the Parish Council have no objection to this application.
However, we do have major concerns with it being located in the open field, the planning application documents state that there is an "existing range of mainly dilapidated and unused buildings" on the site - if this is so we would ask that the applicant removes these and locates the new building on the site of these buildings therefore not using more open field for the building.

Lynn Cantlay
