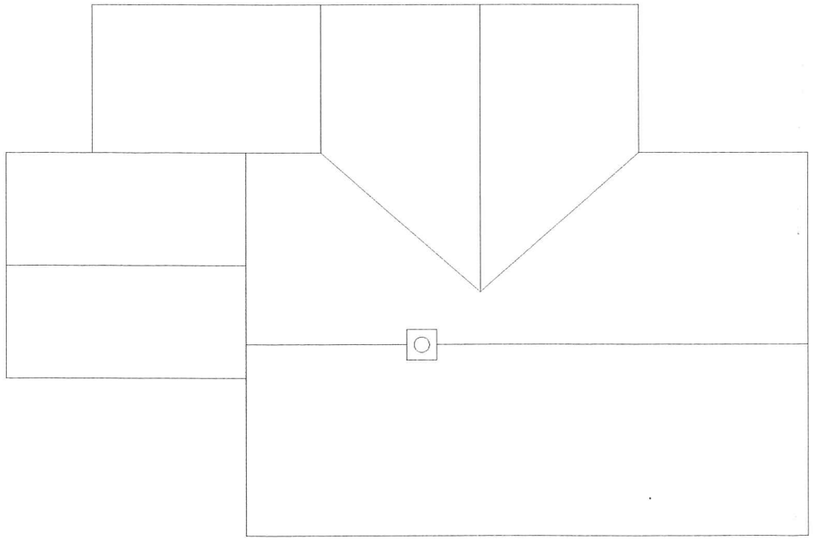
Plan View (1/100)



Existing Roof
Plan View (1/100)

09/00024/FUL - 9 JAN 2009 - SMD

Special Note to Contractor.
The contractor is responsible for checking dimensions, any discrepancy to be verified before continuing work. A check is also required by the contractor to satisfy him/herself to where the water, gas and electricity supplies are situated and to take the necessary precautions to protect or relocate any or all of these services.
