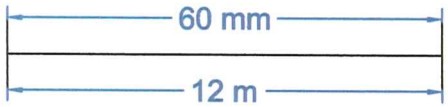
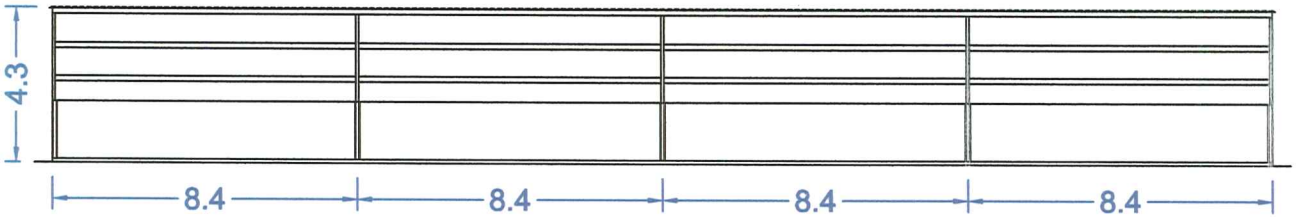
SCALE CHECK FOR A4 COPY

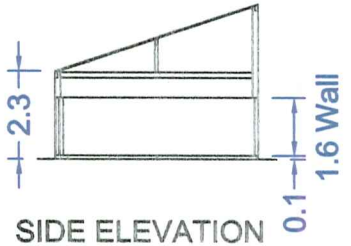


BAY WALL CONSTRUCTION PLAN

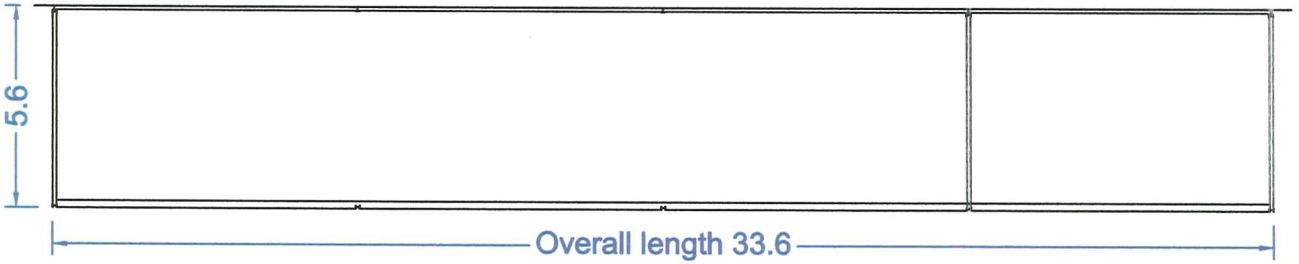
KEY
- BLOCK WALL
- CONCRETE PANEL WALL
- BUILDING BUND



FRONT LEVATION



SIDE ELEVATION



PLAN

NOTES
Concrete base to building 100mm above yard level
Walls 1.6m high secured each end in I section uprights
Roof sheets plastic coated ridged metal profile
Roof supported above walls on prefabricated structure
Overall front height allows clearance to tip skips
Bund across front prevents contamination of yard
Gutter along rear of roof to soakaway

Site Address
City Skips, Hillside Industrial Estate, Draycott Cross Road, New Haden, Cheadle, S.O.T.
