Staffordshire Moorlands Planning Department.

I am a neighbour of Mr and Mrs Michael Hall of Greenacres , Gun Battery Lane, Biddulph Moor , Staffordshire Moorlands, ST8 7NJ.

I have seen the new plans for their extension , which are similar to the old plans except for the style of roof on the extension is now a hipped roof and the roof over the shower room is a flat roof. The plans also include velux Windows and sun pipes . I have no objection to this extension being built .

Name MR + MRS D. RODDY.
