20th. April 2016

Ref: 16.37.1 A/B :3/ DEF

**Planning Department,**
**Staffordshire Moorlands District Council.**

The following planning proposals have been discussed by Kingsley Parish Council:

**SMD/2016/0021 - Change of use of agricultural building to a holiday let barn - Garson House Farm, Garston Village Road, Whiston**.Kingsley Parish Council considers this to be a good example of diversification and **recommends approval.**

**SMD/2016/0194 - Proposed two storey rear extension and first floor side extension - Four Winds, The Green, KIngsley.** Kingsley Parish Council **supports this application** but expresses the following concerns:
1. The property occupies an elevated position overlooking The Green and other adjacent properties.
2. The proposed extension is sizeable to the side and rear of the existing house.
3. The extension may represent overdevelopment in terms of size of plot.

Yours faithfully,

**Jeff Wood**
**Clerk**
