Application Reference No. : SMD/2016/0264 Site Address: Alton Towers Farley Lane Farley Staffordshire ST10 4DB
Stoke-on-trent Comments by: David Scott
From:
27
Beauchamp Road

Warwick
Warwickshire
CV34 5NU
Submission: Neither
Comments: The initial screening request marks up a number of high point datums but does not clearly state what figures are associated with these; nor what this means relative to other terrain in the other area. Can we please request this additional information for clarity over the terrain map.
