Application no: SMD/2019/0555

Determined on: 30th December 2020

Town and Country Planning Act 1990
Town and Country Planning (Development Management Procedure) (England) Order 2015

REFUSAL OF PLANNING PERMISSION

Location of Development:
Land Off Cedarhill Alton Staffordshire

Description of Development:
Outline application for the erection of up to 4 dwellings with all matters reserved

Staffordshire Moorlands District Council in pursuance of powers under the above mentioned Act hereby **REFUSE** to permit the development described above in accordance with plans ref: 3659_T_REV1 & A4179-001 P3 for the reason(s) specified below:-

1. The proposed development falls within the Countryside, outside of the defined settlement boundary of the larger village of Alton. The proposal would not adjoin the built-up area boundary of Alton, would not be well related to the existing pattern of development and surrounding land uses and would lead to a prominent intrusion into the countryside and a significant adverse impact on the character and appearance of the countryside. The proposal also fails to meet any other criteria for residential development in the open countryside listed in Policy H1. As such this applications fails to comply with policies SS8, SS10 and H1 of the adopted Staffordshire Moorlands Local Plan 2020.

2. The proposed development would appear visually intrusive and out of character with the site and locality. As such, this application fails to accord with policy DC1 of the adopted Staffordshire Moorlands Local Plan 2020 which seeks to secure new development of a high quality that is designed to respect the site and its surroundings; and, similarly, fails to accord with policy DC3 of the adopted Staffordshire Moorlands Local Plan 2020 which states that the Council will protect, and where possible, enhance local landscape by resisting development which would lead to a prominent intrusion into the countryside.

3. Insufficient information has been provided to fully assess the impact of the proposals on any potential important habitat or species. As such, Staffordshire Wildlife Trust raise objection and the application is therefore considered to be contrary to policy NE1 of the adopted Staffordshire Moorlands Local Plan 2020 and the relevant provisions of the National Planning Policy Framework

Informatives

This application represents an unsustainable form of development and is considered contrary to the objectives of the National Planning Policy Framework. The Local Planning Authority (LPA), in reaching this decision, has followed the guidance in paragraph 38 of the National Planning Policy Framework. The Framework advises that the LPA should work proactively with applicants to secure developments that improve the economic, social and environmental conditions of the area. However, it was not considered that amendments could be made to the application which overcome the objections to the principle of development as outlined above.

The Secretary of State can allow a longer period for giving notice of an appeal, but will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal. In these circumstances, the owner may serve a purchase notice on the Council (District Council, London Borough Council or Common Council of the City of London) in whose area the land is situated. This notice will require the Council to purchase his interest in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990.
