Dear Sirs,

Re: SMD/2014/0471 – New Development at Bank Street, Cheadle

With reference to the above, we write to confirm that under the planning conditions laid down on 26th February 2016 (item 17, page 5), the temporary protective fence has been erected under the guidance of BS 5837:2012.

We also confirm that the fence panels will remain in place until the soft landscaping works are undertaken, which will be towards the final stages of the development.

We trust the above is in order.

Kind regards

Yours sincerely,
J. HARPER & SONS (LEOMINSTER) LIMITED
