Subject: Applications May 2016

Dear Sir

Re SMD/2016/0223 Mrs L Saliba.
Field to the west of Stanley Bank.

We object to the application due to its visual impact on the Green Belt. The siting of both the ménage and stables are inappropriate as they are sited immediately adjacent to Post Lane and will be visually intrusive in the Green Belt.
In addition visibility access splays will need to be formed at the new access point which may well materially effect existing trees and hedgerows.
REF-SMD/2016/0236. No objection
REF SMD/2016/0179. . No objection
