Hi Lisa,
Replacement windows to rear school extension. No objection to the replacement of the windows but the replacement windows should be painted timber or powder coated metal. The rear classroom can be viewed in conjunction with the Listed Building and changes will therefore impact on its setting, which the Council has a duty to protect. UPVC windows normally have wide frames which do not sit comfortably with the fine detailing of the historic metal windows. Metal windows would be the preferred material.

Thanks

Gill Bayliss

Good Afternoon Lisa,

Thank you for your email. Please find attached some photographs of the various existing school windows. Hope this helps.
Should you wish to see any further areas of the school, please contact the school office for access.

Kind Regards

Laura

Good afternoon Laura,

I have received comments from the Council's Conservation Officer. She has asked for more detail in order to assess the existing and proposed windows and their relationship with the historic part of the school. She has advised that photographs would be sufficient to demonstrate this.

I look forward to hearing from you in due course.

Kind regards
Lisa
