Submission: Objection
Comments: We are deeply concerned as our son goes to Horton Lodge Special School. In the past we know that security has been very poor at the hospital and this will be a danger to pupils & staff if the application is approved and patients escape again. Also the noise in the past coming from the hospital grounds upsets the children and we don¿t want that for our son as the school should be a safe place for them without them worrying and getting upset with the noise coming from the hospital grounds. I don¿t want it to come to the worry that my son will be in danger if they approach the school as they will not know the danger of the patients and what they will be capable of. We throughly hope the application is rejected.
