Notification for Prior Approval for a Proposed Change of Use of Agricultural Building to a Dwellinghouse (Class C3), and for Associated Operational Development

Town and Country Planning (General Permitted Development) Order 2015
Schedule 2, Part 3, Class Q

Development is not permitted where the proposed change of use would result in more than 3 dwellinghouses that have a cumulative floor space of more than 450 square metres being created within an "established agricultural unit" (which means agricultural land occupied as a unit for the purposes of agriculture on or before 20 March 2013, or for ten years before the date the proposed development will begin).

Development is not permitted where the building is a listed building, the site is or contains a scheduled monument, is located on Article 2 (3) land, or the site is, or forms part of a site of special scientific interest, a safety hazard area or a military explosives storage area.

4. Description of proposal

If the building was not in use on 20th March 2013, what date was it last in use? (DD/MM/YY)

What was the use of the building on 20th March 2013 or the last use before that date?

AGRICULTURE (DAIRY FARM)

If the building was brought into use after the 20th March 2013, what date was it brought into use? (DD/MM/YY)

Please provide details of its use since it was brought into use:

Is the site currently occupied under an agricultural tenancy agreement? Yes ☐ No ☒

If yes, I/we confirm that both parties to that agreement have consented to the change of use: ☐

Please attach written confirmation from the landlord and tenant confirming they both agree to the change of use.

Has an agricultural tenancy agreement been terminated in the year before development is proposed to begin for the purpose of carrying out the change of use? Yes ☐ No ☒

If yes, I/we confirm that both parties have agreed that the site is no longer required for agricultural use: ☐

Please attach written confirmation from the landlord and tenant confirming they both agree that the site is no longer required for agricultural use.

4. Description of proposal (Continued)

What is the cumulative number of proposed dwellinghouses that will be developed within the established agricultural unit (*including the number of dwellinghouses already developed under Class Q of Part 3 of Schedule 2 to the Town and Country Planning (General Permitted Development Order) 2015*?

THREE

Please specify (*including any floor space that has already changed use to a dwellinghouse under Class Q of Part 3 of Schedule 2 to the Town and Country Planning (General Permitted Development Order) 2015) the cumulative*:

Floor space of the existing building or buildings which is proposed to change use: 172m2

Area of land within its curtilage which is proposed to change use: 250m2

Please describe the proposed development, including relevant information on the siting and location of the building:

The building to be converted is a two storey traditional agricultural barn, stone built with a tiled roof. It is L shaped on plan and detached from the adjacent stone built farmhouse
the barn has some vernacular merit is is worth preserving. The new use will preserve it for the foreseeable future.
Existing modern farmbuildings immediately adjacent will be taken down so as to allow private amenity space to be attached to the individual dwellings.
Modern buildings retained (previously used as stock shed s as part of a dairy farm) will be given over to the storage of farm machinery, dry feed stuffs (hay) and for the periodic gathering of cattle prior to movement off the holding land

Please provide any relevant information on noise, transport and highways impacts of the development and contamination and flooding risks on site. A flood risk assessment should be provided with the application in Flood Zones 2 and 3, and in Flood Zone 1 where an area which has critical drainage problems has been notified to the Local Planning Authority by the Environment Agency:

There appear to be no perceivable issues relating to these topics

Please provide a description of the design and any exterior alterations which are proposed to the building including information of any intended partial demolition reasonably necessary to carry out these works, work involving the installation or replacement of windows, doors, roofs, exterior walls and work involving the installation or replacement of water, drainage, electricity, gas or other services.

Drawings accompany this application which show minor external changes and the internal changes required to enable the creation of three dwellings
at least one of the dwellings being created will be to house a young farm worker employed on the applicant's nearby main farm holding
sewage wil be disposed of via a proposed package plant will can serve the three dwellings being created and the existing farmhouse
