Application Reference No. : SMD/2016/0227 Site Address: Little Lymford Farm TUNSTALL ROAD CLOUD SIDE STAFFORDSHIRE SK11 0PB Macclesfield Comments by: Howarth
From:
Lymford Farm
Tunstall Rd
Bosley

Submission: Objection
Comments: There is already good access to this location therefore it is unnecessary to provide another entrance / track that will present an additional hazard to all road users...walkers, cyclists and car drivers alike.

Further it would unnecessarily destroy an area of hedge row etc that is abundant with wildlife.
