14/18 Russell Street,

Hi Lisa,
This is a similar scheme to one that was discussed at pre-app last year. The building has great potential for enhancement & this scheme is partly based on historic evidence of historic window and shopfront details. The drawn details are still quite sketchy so if we approve the scheme based on this limited information we will require detailed conditions to secure joinery details, signage etc. I would suggest that the upper floor windows are timber or powder-coated metal to ensure slim frames and reproduction of the glazing style. I would hope that this proposal will be supported with grant aid from the Moorlands Partnership Board.
