Dear Sirs,

Planning Application SMD/2016/0324
Birchall House, Birchall Lane

Thank you for your letter of 06/06/16 informing me of the above application.

I would like to express my dismay at the changing of the character of Birchall Lane with extra housing being built. What was a very attractive area of Leek is now changing and the erection of the "hideous" house being built at the entrance to the lane does not improve things.

Yours sincerely
