21st June 2016.

Dear Sir

I would like to object most strongly to the proposed development, extension and alterations of existing bungalow including convertion of roofspace at Nevaeh, Clewlows Bank Stockton Brook. Application number SMD/2016/0341. Mrs Mrs D. White.

Originally the bungalow was only given planning permission because a house was not suitable for the site

The proposed development would be too close, too high, blocking out the light and completely overshadowing my house. Because of large extensions

to both of my neighbours semi-detached houses I would be completely boxed in.

I feel that the development would de-value my house making it almost unsaleable.

Yours faithfully
