Comments: My family and I reside at 44 Junction Road and have done so since December 2006.

Numbers 44 and 46 Junction Road are accessed by a single track road that runs down to the old shunting bridge.

Whilst it is possible to park outside the house, the road is narrow rendering it impossible to turn a vehicle around.

Whilst reversing from the house it is necessary to back onto part of the car park to the pub in order to turn around, in the absence of a suitable turning circle it will make driving very difficult.

I am concerned that the plans submitted do not appear to provide for a suitable turning circle.
