ORDER 2015, (AS AMENDED)

PRIOR NOTIFICATION APPLICATION

Staffordshire Moorlands District Council hereby notifies the Applicant that the prior approval of the Local Planning Authority, as to the siting and appearance of the development detailed below, was required and is granted:

Proposed base station installation at Tape Street, Cheade, Staffs, ST10 1ET

The development must, except to the extent the Council otherwise agrees in writing, be carried out in accordance with the details submitted with the application drawing nos. 100 C, 201 C, 301 C, 400 C or subsequently modified with the agreement of the Council and within a period of five years from the date of this decision.

Signed on behalf of Staffordshire Moorlands District Council

Informatives

1. This is considered to be a sustainable form of development and so complies with the provisions of the National Planning Policy Framework, Section 5; Supporting high quality communications infrastructure.
2. The Council advises the applicant that the base station mast hereby approved should be a light grey colour in the interests of the appearance of the area.

NOTES

1. If the applicant is aggrieved by the decision of the Local Planning Authority to refuse permission or approval for the proposed development, or to grant permission or approval subject to conditions, he may appeal to the Secretary of State in accordance with Sections 78 & 79 of the Town & Country Planning Act, 1990, within six months of the date of the decision notice. Appeals must be made on a form which is obtainable from the Department of Transport, Local Government and the Regions, Planning Inspectorate, Temple Quay House, No. 2 The Square, Temple Quay, Bristol, BS1 6PN. The Secretary of State has power to allow a longer period for the giving of a notice of appeal but he will not normally be prepared to exercise this power unless there are special circumstances which excuse the delay in giving notice of appeal. The Secretary of State is not required to entertain an appeal if it appears to him that permission for the proposed development could not have been granted by the Local Planning Authority, or could not have been so granted otherwise then subject to the conditions imposed by them, having regard to the statutory requirements, to the provision of the Development Order, and to any directions given under the Order.
2. If permission to develop land is refused or granted subject to conditions whether by the Local Planning Authority or by the Secretary of State, and the owner of the land claims that the land has become incapable of reasonably beneficial use in its existing state and cannot be rendered capable of reasonably beneficial use by the carrying out of any development which has been or would be permitted, he may serve on the Borough or District Council or County Council in which the land is situated as the case may be, a purchase notice requiring that Council to purchase his interest in the land in accordance with the provision of Part 6 of the Town & Country Planning Act, 1990.
3. In certain circumstances, a claim may be made against the Local Planning Authority for compensation, where permission is refused or granted subject to conditions by the Secretary of State on appeal or on a reference of the application to him. The circumstances in which such compensation is payable are set out in Section 114 of the Town & Country Planning Act, 1990.
