EXTERNAL FINISHES

Roof
Profiled powder coated steel sheeting, to match existing including trims.
Roof to include 15% profiled translucent sheet rooflights.

Rainwater Goods
Black plastic gutters and downpipes.

Walls
Profiled powder coated steel sheeting, to match existing including trims.

Concrete Panels
Precast concrete panels are to be erected internally around the perimeter of the proposed building, fixed to the inner face of the steel columns.
Height of panelling is to be agreed on site. Panels shall be installed as recommended by the Structural Engineer.
