Hi Mark,

There is no plan showing the position of the dwelling in the plot or where the parking is. The application form states 5 spaces but they're not shown.

However, referring to the drawings for SMD/2015/0308, parking for a 4 bed dwelling was shown with 4 spaces stated on the application form. No authority's standards require any additional spaces for a 5 bed over a 4 bed so there would be no highway objections to the extra bedroom.

Trust this is of use,

Dave
