Electricity Act 1989: Overhead Lines (Exemption) (England and Wales) Regulations 2009

It is proposed to undertake the following work that is considered to be exempted from Section 37 of the Electricity Act 1989 by falling within the Overhead Lines (Exemption) (England and Wales) Regulations 2009:
Particulars of proposed development:-

- Altering the position of 5 electricity poles in order to provide adequate clearance from the overhead electricity line.

The line alteration is required to accommodate works at The Bates Farm. The line needs to be moved to allow a safe working zone for the land owner.

The Council is requested to indicate that it has no objection to the work being carried out by returning two copies of this Form with the Certificate completed and signed.

Yours faithfully

For and on behalf of the Applicant
