Dear Sirs

Re:- Planning Application No. SMD/2016/0436

I have viewed the above Planning Application on line and would make the following objections:-

1. Property not marketed in the correct manor.
2. Over priced from day one.
3. Was not rented out to the appropriate clientele.
4. Mr C Slaytor not from a farming background.
5. Mr C Slaytor not living within the local vicinity (from down South).
6. He does not comply with the conditions of sale.
7. Myself and 2 other beneficiaries were turned down when putting an offer in for the full asking price.

In my opinion everything has gone against what should have been implemented for the sale of "Whympenny Farm" to go through the correct channels.

Yours faithfully

Mr G K Challinor
