

RESIDENTS OF THE CHURNET VALLEY

RESPONSE TO LAVER LEISURE'S HOLIDAY CAMP PLANS 0682 for MONEYSTONE QUARRY

I am a resident of the Churnet Valley

My name is Alison Conybeare

My address is The Old Post Office, Whiston

I wish to register my response to Laver Leisure's development plans for
Moneystone Quarry on grounds of:

Traffic/Road Safety

No account has been taken to the safety of children to the play area, visitors to the village hall or the fact that a number of houses abut the road of Whiston Gaves Lane. Also

Scale of Development

The junction is the A52 is dangerous with poor visibility & the Paul Hen report has not been taken seriously. The development is way too large for the area. Each of the two villages & the hamlet adjacent to the quarry are smaller than the proposed site which is a.

Environmental Impact

This is a blight on the landscape & contravenes the Core Strategy.

Sustainability

The Christie report states that the application will not be sustainable until 247 million visitors attended each year, so its current application cannot be sustainable.
