32 Warrington Drive

Leek
Staffordshire
ST13 8NA
Submission: Objection
Comments: 32 Warrington Drive is opposite this application there is a severe problem with parking in this area due to the fact that no 29 parks multiple vehicles in the street and on the pavement in front of my property There is not enough area to park these if the extension is put on the drive of no 29.The parking already spoils the integrity of the street.I notice that Mr Stevenson has ticked this as no problem there clearly is!
