- All proprietary goods and materials are to be fitted in accordance with manufacturers instructions and relevant Codes of Practice.
- All work to comply with current British Standards and relevant parts of "The Building Standards Regulations" or equivalent national regulations currently in place.
- Notwithstanding all of the above, all electrical work must comply with current I.E.E. regulations or equivalent.
- The contractor will be held responsible for the structural integrity of all fittings and fixtures supplied.
- Dimensions must be checked by contractors and setting out drawings based on site dimensions must be approved by Urban Nu prior to construction.
- Any variations between stated dimensions and site dimensions should be reported to Urban Nu prior to work being executed.
- Where requested samples of all finishes are to be provided by contractors, sub-contractors and suppliers for approval by Urban Nu prior to installation or construction.
