I refer to your consultation email dated 10 June 2019.

The County Council as the Mineral and Waste Planning Authority has no comments on this application as the site is:

- Not within or near to any permitted waste management facility; or
- Exempt from the requirements of Policy 3 Mineral Safeguarding in the Minerals Local Plan for Staffordshire (2015 - 2030); or
- Is development subject to our standing advice for development proposals within mineral safeguarding areas.

Please note guidance at paragraph 5.55 of the Staffordshire and Stoke-on-Trent Joint Waste Local Plan 2010 - 2026 and the mineral safeguarding consultations checklist which will assist you in determining when to consult the Mineral and Waste Planning Authority.

Thank you
