Subject: RE: SMD/2016/0690 - Dropped kerb and hedge removal at 21 Uttoxeter Road - consultation

Afternoon Hazel,

The proposal is close to a recorded flooding incident - however, we do not have any details from which source and when.

In good faith, the applicant is advised that if installing a drop-curb, then any noted flooding that **may** have occurred within the road may not now be fully contained, so the property may wish to consider flood resilience measures in case of any flood flows nearing the property. The National Flood Forum can help advise on suitable measures and offer advice.

(In the event of permission being granted by the LPA, details and paperwork for a drop kerb are available from Staffs CC Highways via https://www.staffordshire.gov.uk/transport/staffshighways/licences/Vehicle-access/VehicleAccessCrossings.aspx or the Network Control Hub on 0300 111 8000.)

Many thanks,

Hannah Hogan
