In pursuance of their power under the above mentioned Act, Staffordshire Moorlands District Council Planning Authority, **HEREBY GRANTS PLANNING PERMISSION** for the development described above subject to the following condition(s):

1. The development hereby permitted shall be begun before the expiration of three years from the date of this permission.
Reason: To comply with the provisions of Section 51 of the Town and Country Planning, Planning and Compulsory Purchase Act, 2004.

2. The development hereby approved shall be carried out in accordance with the details as submitted in the application form and submitted specifications and as shown in drawings:
Location plan at 1:2500 on dwg MABR/PP/03/001 indicating application red edge;
Drawing MABR/PP/02/002 revision C showing site layout at 1:100 including parking and proposed site section levels;
Plans and elevations MABR/PP/03/003 revision B.
Reason: To ensure that the development is carried out in accordance with the submitted details and approved plans, in the interests of good planning, for clarity and the avoidance of doubt.

3. The external facing and roofing materials shall be Birtley Olde English brick for the walls and 'Forticrete' Gemini dark grey roof tiles as submitted in the application details and there shall be no variation without the prior consent in writing of the Local Planning Authority.
Reason: To ensure that the external appearance is appropriate in the context of its existing neighbouring developments.

4. All noisy activities shall be restricted to the following times of operations:
- 08:00 - 18:00 hours (Monday to Friday);
- 08:00 - 13:00 hours (Saturday)
- No working is permitted on Sundays or Bank Holidays.

In this instance a noisy activity is defined as any activity (for instance, but not restricted to, building construction/demolition operations, refurbishing and landscaping) which generates noise that is audible at the site boundary.
Reason: To avoid the risk of disturbance to neighbouring dwellings from noise during anti social hours.

5. The development shall not be brought into habitable use until the site layout including vehicle turning and parking has been completed in accordance with the details as shown in the approved drawing MABR/PP/03/002 revision C and this layout shall thereafter be maintained for the lifetime of the development.
Reason: In the interests of highway safety.

6. Reason: In the interests of neighbour amenity and the appearance of the completed development.

7. The residential unit hereby approved shall be occupied only as ancillary accommodation to the main house at 49 Town End and shall not be occupied or sold or let as a separate dwelling.
Reason: Due to the close relationship of the building hereby approved to no.49 Town End and the reliance of the development on amenities of garden space and amenities of access, parking and turning shared with no.49 Town End and the need to ensure that neither no.49 Town End nor the development hereby approved can be separated from these garden and parking amenities and to safeguard the amenities of the area and neighbouring residents; in the interests of good planning, for clarity and the avoidance of doubt.

8. Notwithstanding the provisions of the Town and Country Planning (General Permitted Development) Order 2015 (or any order revoking and re-enacting that order with or without modification), there shall be no further physical sub-division of the garden space of no.49 as shared with the development hereby approved .
Reason: In the interests of amenity and the appearance of the completed development.

2 Classes A and B other than those expressly authorised by this permission, shall be carried out without express planning permission first being obtained from the Local Planning Authority.
Reason: To enable the Local Planning Authority to control the development and so safeguard the character and visual amenities of the area and to ensure that adequate private or shared amenity space is retained within the curtilage of 49 Town End.

Informative

1. The proposed development is judged to be of suitable design and meets the tests of sustainability in planning. There are not judged to be any adverse implications for neighbours or wider public amenity and street scene. An application will need to be made to discharge conditions and a fee is payable with the application. For more details please refer to our web site: www.staffsmoorlands.gov.uk If there is a condition that requires work to be carried out or details to be approved prior to the commencement of the development this is called a "condition precedent". The following should be noted with regards to conditions precedent:
   (a) If a condition precedent is not complied with, the whole of the development will be unauthorised and you may be liable to enforcement action.
   (b) Where a condition precedent is breached and the development is unauthorised, the only way to rectify the development is the submission of a new application.

4. Other conditions on this permission must also be complied with. Failure to comply with any condition may render the owner(s) and the person(s) responsible for the implementation of the development liable to enforcement action.

5. The permission is granted in strict accordance with the approved plans. It should be noted however that:
   (a) Any variation from the approved plans following commencement of the development irrespective of the degree of variation will constitute unauthorised development and may be liable to enforcement action.
   (b) Variation to the approved plans will require the submission of a new planning application.

6. If you are aggrieved by the decision of your local planning authority to refuse permission for the proposed development or to grant it subject to conditions, then you can appeal to the Secretary of State under section 78 of the Town and Country Planning Act 1990.

11. The Secretary of State can allow a longer period for giving notice of an appeal, but will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal. The Secretary of State need not consider an appeal if it seems to the Secretary of State that the local planning authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order.

12. If either the local planning authority or the Secretary of State refuses permission to develop land or grants it subject to conditions, the owner may claim that he can neither put the land to a reasonably beneficial use in its existing state nor render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted. In these circumstances, the owner may serve a purchase notice on the Council (District Council, London Borough Council or Common Council of the City of London) in whose area the land is situated. This notice will require the Council to purchase his interest in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990.
