Dear Sir,
Re: Rear Living Room Extension. 17, Miller View, Cheadle, Staffs. ST10 1XP.

Please find attached Scheme Drawing together with a Location plan in connection with the above.

We note from the Planning Portal that under the Neighbour Consultation Scheme formal planning permission is not required in this instance. The proposals are under 4.0metres in height and project a maximum 4.040metres from the rear main elevation.

We submit the attached plan to enable the necessary consultations to take place, to formalise the situation.

Kind Regards and
Yours faithfully,

Peter David Palmer
