Planning Permission for The Stables, Spring Cottage Farm, Thorney Edge Road, Bagnall, Stoke on Trent, ST9 9LE

I am writing to show support for the proposed development of a new training, riding and livery centre at The Stables, Spring Cottage Farm in Staffordshire.

The proprietor, Lee Pearson CBE, is a decorated Para-dressage rider with 35 gold medals at European, World and Paralympic level. We feel it is important for World Class athletes to be able to use their experience to give back to their sport.

The new centre would not only allow Lee to continue to train and compete and remain competitive at an elite level, but it will give him the opportunity to train and coach riders and horses from grassroots upwards, and hopefully inspire the next generation of Olympians and Paralympians.

Kind regards
