Application Reference No. : SMD/2016/0770 Site Address: THE LODGE MILL ROAD OAKAMOOR STAFFORDSHIRE ST10 3AG STOKE-ON-TRENT Comments by: occupier
From:
Bramble Barn

Phone:
Email:
Submission: Neither
Comments: Having looked again at this and still supporting this application I have noticed that the applicant has advised that there are main sewers and drain from this property.

This is incorrect and the waste from this goes directly into a septic tank on our property which would then be at least doubled in its use ?

I would suggest that the applicant should include a separate septic tank within this application due to the close proximity of the River Churnet and the fear of any blockage/ overspill.
