**Apparatus Location Enquiry**

**Further to your enquiry re: MILL STREET ST13 8HA**

Enclosed is a copy of the plans showing the approximate positions of the water mains and public sewers situated within the vicinity of the land/property which is the subject of your enquiry.

**Asset Data Management can only provide plans of the location of the Company's underground assets.** Therefore service pipes and drains are the responsibility of the property owner and should be anticipated during any excavation. **Additionally, plans can only be provided for locations where Severn Trent Water has a record of Company assets. Therefore if there is no record of Company assets a plan will not be provided.**

Please also find enclosed a copy of Severn Trent Water's General Conditions and Precautions for your information.

**Please forward VAT receipt to your finance department.**

Kind Regards

GIS Mapping Team
