Hi Mark,
I have reviewed the Biddulph Grange application which is well documented and specified. Essentially the works comprise improvements to the tea room to ease visitor flow:

- Installation of a new doorway between the lobby and kitchen (hidden door). All specified. A hidden door will minimise visual changes to the lobby as well as prevent visitors using it.
- Drilling 3 50mm holes for services between kitchen and tea room (1988-90 walling)
- Replacing safety flooring in kitchen and servery (existing 1988-90 surface)
- Remove section of dado in servery (installed 1988-90)
- Reinstate missing section of skirting

No detrimental impact on the historic fabric of this Grade II* Listed Building.

No objections – need to wait for HE response before issuing a decision.

Thanks
