Submission: Neither
Comments: Bagnall Parish Council support the application in principal however we do have reservations regarding the size of the premises which the change of use relates to. We have concerns regarding the potential for future growth in to other areas of the plant house if the application is granted without restrictions. We are concerned regarding the potential for growth in vehicle traffic using, specifically Springsbank, narrow country roads. Traffic issues in the village were highlighted by several parishoners in the recent Parish Council meeting which the Local Police Commander attended.
