Subject: Planning Application SMD/2020/0212

Good Afternoon

Re: SMD/2020/0212 – Heath House Farm, Ross Road, Whiston.
Proposed Development: Proposed new vehicular access and removal of access approved under application SMD/2016/0806 which is to be reinstated to agricultural land.

Following KPC meeting on 9th June 2020, Councillors concluded the following recommendations:-

Conclusion:

- There is a history of retrospective planning applications relating to this site.
- The present application is retrospective as work is already well underway, (please see attached photographs).
- Kingsley Parish Council deplore the present situation and do not support this retrospective application.
- Kingsley Parish Council request SMDC to closely monitor developments at this site.

Kind regards
