The proposal represents inappropriate development in the Green Belt and will require very special circumstances to be demonstrated. The site is recognised is the Churnet Valley Masterplan for other commercial uses of a modest scale to secure the long term viability of the gardens. It even suggests wedding venue. It was suggested that this could be basis of the case for 'very special circumstances'. The marquee would appear to be of a reasonable size and scale located in an area that resembles a courtyard that is enclosed by the buildings and a brick wall with mature vegetation behind. On this basis it would appear that the impact on the openness of the Green Belt would be minimal. From the information provided it has been suggested that the proposal would only enhance the existing business and would not raise any highway safety issues.
