PLANNING DRAWING

BOUNDARY KEY

600mm High red brick wall topped with 600mm High metal railings	
1.8m High Lockable Metal Railing Gates	
1.5m High red brick wall with 1.8m red brick piers to site entrance	
Proposed Retaining Wall topped with 1.5m High Hit and Miss Timber Fencing between Concrete Posts	
1.8m High Hit and Miss timber fencing between Concrete Posts	

NOTE

Height of retaining wall dependant on existing levels, and removal of debris on site. Retaining wall to continue until level with site, where hit and miss fencing will create boundary. Retaining wall designed aesthetically to ensure the cover up of existing concrete wall to back of car park. Retaining wall to be either gabion stone, criblock wall or similar approved.

LANDSCAPING

For detailed landscape information please refer to SAVILLE Landscape Design Drawing 319-01

N

REV: C	DATE:24/03/22	DRAWN: AH	CHECKED: MH

Removal of wall indent to Compton boundary.

REV: B	DATE:20/03/22	DRAWN: AH	CHECKED: MH

Alterations to boundary treatments following planning comments. Height of brick wall and railings reduced. Alterations to boundary connection with existing turret.

REV: A	DATE:20/12/21	DRAWN: AH	CHECKED: MH

Alterations to boundary treatments following planning comments. Additional information added to boundary key.
