Details of the pre-application advice received:

Drop-in discussion with Lisa Howard on 03.05.17:

We attended a meeting at Staffs Moorlands Planning Department, and had Lisa Howard as the planning officer present for the 'surgery'. We focused on the principal of converting the building, and did not show the proposed scheme, as we felt it was best to frame our discussion around the main intent behind the scheme and not get into too much discussion about elevations etc at this stage.

Lisa was very helpful and offered a lot of feedback. Her points were as follows:

There is an internal debate within Staffs Moorlands Planning Dept at the moment around the 'worthiness of conversion' notion.
Lisa felt that stables may be converted - they are previously developed and on green belt.
There may be an issue with sustainability, ie proximity to local amenities.
The proposal would immediately improve the adjacent building.
