2. If you have any difficulty in completing this application form or are in doubt about whether or not you require planning permission please contact the Development Control Section at the Council Offices. 3. Your application should be accompanied by a plan of either 1:2500 or 1:1250 scale, preferably to an Ordnance Survey base, showing the site to which it refers edged red and other adjoining land owned or controlled by you edged blue. Plans of the elevations and floor plans should be to scale of 1:100 or 1:50. All plans should be metric.
