Thank you for your letter of 31 May 2016 notifying us of the application for planning permission relating to the above site. We do not wish to comment in detail, but offer the following general observations.

Historic England Advice

The proposals are in accordance with my site meeting and discussions with your conservation officer and the applicant in April, and Historic England has no objections to the application.

We recommend that the application should be determined in accordance with national and local policy guidance, and on the basis of your specialist conservation advice.
