Existing Front

Proposed Front

Face view - Scale 1:50 @ A3

Rear view

Existing 5m totem to remain, all totem panels to be removed and reclad.

Top three panels on each side from stencil cut folded digitally printed Di-bond panels. Apertures backed up with 3mm opal acrylic. **Bottom panel on each side** from stencil cut folded aluminium, powder coated white and applied with vinyl graphics. Apertures backed up with 3mm opal acrylic (Lloyds Pharmacy & logo having digitally printed vinyl face applied, leaving a white keyline. ***New white LED's fitted in this section only.)***

LED price grades units to be repositioned closer together on existing internal aluminium angle to suit new panel.

Existing totem legs to be painted dark earth and side extrusions to be painted dark earth on site.

Argos 'A' being 144mm high. Overall size of logo being 527 x 261mm.
Lloyds pharmacy 'L' being 134mm high. Overall size of logo being 1504 x 196mm.

All internally illuminated by means of white LED's, text & logo's to illuminate only.
Static illumination less than 300 Cd/m2.

Note: Hedges cut back by others so bottom of sign is visible.
Commodities as per design intent pack.
