Re: above application number, Steven Corbishley, 7 Kingsley View, Cheddleton.

We do not, in principal, object to the change of use for one bedroom, from class C3 dwelling house to class C1 holiday annex/bed and breakfast at the above address.

However, this is subject to the applicant providing sufficient off road parking to accomodate this. The applicants already have 3 vehicles which fill the existing driveway. Kingsley View is a tight cul-de-sac with a narrow entrance. We quite often have vehicles driving over our lawn.

Paul and Ingrid Tomblin
