RECD - 6 JUN 2016

Dear Sir/Madam,

Extension and Alterations to Ladyfields Farm, Mill Lane, Wetley Rocks, Staffs Moorlands, ST9 0BW.

Please find enclosed a planning application for the above together with photographs of the dwelling.

The application seeks to rationalise the poor design of the external appearance of the dwelling and update the internal layouts to reflect modern living. The new glazed entrance will represent architecture of it's time, as indeed it should.

I have included a block plan but do not think a tree or hedge survey to be necessary as the only external building work will be the new glass entrance which neither requires any pruning of existing foliage nor work to boundary treatment.

The application fee has been paid directly into the Council's account (receipt enclosed).

Please contact me as soon as possible should you require anything further.

Yours faithfully,

Rod Travers
