Application Reference No. : SMD/2016/0355
Site Address: Land Off MAIN ROAD HOLLINGTON STAFFORDSHIRE
Comments by: Mrs Stephanie Walkman
From:
Highgate Farm
Main Road
Hollington
Stoke on Trent
Staff
ST10 4HS
Submission: Objection
Comments: It is a remote location well outside the centre of the village and is a speculative application. It is unsustainable due to there being no facilities and amenities. The road is dangerous and there are better brown field sites available in the 30mph zone of the village. It is not infill and is well outside the infill boundary for Hollington.
