Subject: SMD/2017/0545

Thank you for your letter of 25th October in respect of planning permission sought by Mr Steven Corbishley of 7 Kingsley View, Cheddleton.

Our objection centres on the limited parking available. It is not unusual for three vehicles, two cars and a work's van, filling the drive of the premises. There is no pavement in the cul-de-sac and on road parking would make the access to our drive, which is immediately opposite Mr Corbishley's, problematic.

We would suggest that the additional parking required by Mr Corbishley's clients be made off road.

Yours faithfully,

Peter and Joyce Myatt
1 Kingsley View,
Cheddleton
