To Whom it may concern,

RE: Rose Cottage, Dunwood Lane, Rudyard ST13 8RG

We confirm that we carried out repair and remedial works to the existing deck and summer house at the above address. All existing foundations for the deck remained untouched and the existing summer house had new felt added.

New deck boards were installed and a handrail was fitted for health and safety reasons

The work was completed by the end of July 2016

Yours Faithfully

Phil Wilcox
