Subject: Rose Cottage

To whom it may concern,

The decking in the rear garden at Rose Cottage, Dunwood Lane, Rudyard ST13 8RG was already constructed and in place before 06 March 2006.

Evidence of this can be supported via a photograph of the property that I have saved from the estate agents brochure (Daniel & Hulme) when the property was purchased back in 2006.

Kind Regards,
Adrian & Charlotte Nettell
