Submission: Objection
Comments: THIS PROPOSED EXTENSION WILL CAUSE A BLIND SPOT WHEN REVERSING FROM OUR DRIVE MAKING IT DANGEROUS FOR PEOPLE COMING UP THE CUL DE SAC, IE ON ONCOMING VEHICLES & CHILDREN PLAYING ON PEDAL CYCLES,IF THIS PROPSAL IS GRANTED I SHALL BE SEEKING LEGAL ADVICE ON THE GROUNDS OF LOSING LIGHT ETC FROM OUR LOUNGE AREA, AS I HAVE BEEN INFORMED FROM A SURVEYOR THAT YOU HAVE A RIGHT TO A CERTAIN AMOUNT OF DAYLIGHT . IN 2005 I APPLIED FOR PLANNING PERMISSION TO HAVE A TWO STOREY EXTENSION AT THE REAR OF THE HOUSE & IT GOT DECLINED DUE TO THE NEIGHBOUR SAYING THAT LIGHT WOULD BE TAKEN AWAY FROM THEIR HOUSE. I AWAIT YOUR REPLY FROM THE PLANNING OFFICER DEALING WITH THIS PROPSAL
