Dear Sir/Madam

I am writing regards planning application reference number: SMD/2014/0585.

We received full permission for development on the 03/12/2014 from yourselves. We have made good progress with the conversion (everything in line with your specification), it'll be watertight in March when we have the last two doors fitted. To finish the conversion we need extra funds through a mortgage, however, Section 3 of the planning application states:

The conversion hereby permitted together with the existing house shall be occupied solely as a single unit and shall not be let or separately disposed of.

Would you be able to amend this, as we are having trouble acquiring a mortgage, to: be able to let and separately dispose of, or dispose of section 3, this would enable us to get a mortgage and finish the conversion.

Yours sincerely

Louis Gandolfo
