Email:
Submission: Objection
Comments: I object to the above application, my reasons are:-

1. It will interfere with my own privacy.

2. Any houses built will overlook my own home.

3 Noise will greatly increase.

4. Access to the site will be via the paddock which is very narrow and is already over used for parking by the nearby cricket club.

5. All fences, hedges and boundaries are party boundaries and I object to any work on these unless I give my complete agreement.

6. I believe there to be a drainage ditch on the property and any interference with this will result in flooding on my property.

Alan Milner
